PAUL MCSWINEY

Dear Parents & Students

Welcome back to the term. I trust all children and families have had a relaxing holiday and the children have returned to school refreshed and ready to actively learn!

Staff Changes

- Welcome back to Ms Natasha Dunn taking Yr 1 DU which is the new class. A teacher for Wednesdays is yet to be filled.
- Welcome to Mr John Adams who is backfilling Danielle Brown for Term 3 while Danielle is on Maternity Leave.
- Welcome back to Mr Jason Gledhill who was last with us in 2014. Jason is backfilling Matthew Baker for 3 weeks while Matt is on leave.
- Welcome to Ms Estelle Siddons who will be replacing Kate McKeering for 3 weeks while Kate is on leave.
- Welcome on staff to Kellie Connell (Indigenous Students), Leanne Stowe (Year 5) and Rebecca Carroll (Prep and Year 1) who are teacher aides joining us this semester.

Reporting & Parent Interviews

Many parents engaged in the reporting opportunity and were able to track their children's progress. Enclosed is the data for each year level displaying percentage of parents who attended interview's across each year level.

Year Level	Percentage Attending Interviews
Prep	91%
Y1	84%
Y2	60%
Y3	50%
Y4	66%
Y5	58%
Y6	47%

It would be great to see stronger take up by parents and I understand that in some families both parents work and were unable to attend. For us as adults it is vital to look at the distance travelled as it is really useful and encourages the students to move forward.

Out of Hours School Care & Alignment with Our Responsible Behaviour Plan for Students

Our provider for OHSC is Helping Hands. They have recently appointed a new coordinator and her name is Debbie Dickens. The management structure has changed and there will be 2 assistant coordinators, Stacey Nean and Amy Lavelle.

The intent of this notification is also to advise parents that having their children in OHSC is a privilege. Recently in OHSC we **unfortunately have had children making poor choices in relation to their behaviour.** Parents, I'd really appreciate it if you could reinforce that when the children are attending OHSC they are still under the umbrella of our Responsible Behaviour Plan. There are not separate rules for school and OHSC, they are common. We appreciate your ongoing partnership in this venture. We want all children to take responsibility for their own action and learning so they can maximise their potential here at Bounty! Your ongoing support is expected and appreciated thank you.

Y4 Camp Currimundi

The Y4 Currimundi camp is our next scheduled camp and the cost is \$197.00. This payment is due this week, Friday 22nd July. Please ensure this is paid by the appropriate timeframe. Camp is a wonderful opportunity for children in a particular year level to meet other children and generate broader friendship groups. Camp also promotes independence, teamwork and enhances curriculum implementation. **Your child's attendance is valued by staff. I also wish to acknowledge Ms Krystal Corley for her organisation of this camp and staff for all their effort to ensure it will be a successful one.**

State Representative in Rugby League

I wish to congratulate Robert T who was successful in being invited to be a member of the Queensland School Sport 12 years **Rugby League Team.** Robert is a very humble young man. I met Robert's parents last Friday in Mr Wrigley's office and they, as we are, are very proud of his achievement. Well done, this is a remarkable achievement.

DEPUTY PRINCIPAL (PREP & YEAR 1)

LYNETTE MCINTYRE

Thank you to those of you who came along to the parent/teacher interviews at the end of the semester. These sessions provided a valuable opportunity to discuss your child's progress and for you to raise any issues of concern. Overall we had a very good turnout of parents in the junior school – Prep 91%; Year 1 84%.

Attendance

Prep students have an attendance rate of 93.84%. Of the 6% absences, 21.38% are unexplained.

Year 1 students have an attendance rate of 92.59% to date. Of the 7% absences, 23.8% are unexplained.

It is vital that your child attends school every day. In the event that your child is sick (or for some other reason) please phone or text administration with a brief statement informing us of the reason for their absence.

Behaviour

Issues arise from time to time with student behaviour. Our behaviour expectations are clearly articulated in our Responsible Behaviour Plan which **is explained at point of enrolment. We do appreciate when we can work together to address your child's behaviour needs.** We have a common interest in ensuring that your child has a positive learning experience at Bounty, and if there is a hiccup along the way, we want to be proactive and employ strategies that will enable students to manage their own behaviour.

Creative Generations

I was privileged indeed to join with some students and travel into Brisbane to see the Creative Generations performance last Friday. What an absolute delight. What a marvel to see the talent that is in our primary and secondary state schools. A hearty congratulations to students from Bounty who were chosen to perform in such a prestigious event – and a huge thank you to Mrs Sheylene Challacombe who puts in an enormous **amount of time and effort for our students in anything and everything that is musical. It was a performance that I won't forget for some time.**

DEPUTY PRINCIPAL (YEAR 2 & YEAR 3)

LIAM HACKWOOD

Welcome back to Term 3 for 2016. I would like to extend a special welcome to our new families who are starting with us this term. Our school continues to grow rapidly and it is wonderful to see so many new families coming to our school, most coming from different parts of Australia.

I often find that Term 3 is an unsurprisingly busy term at Bounty Boulevard State School. Especially when it comes to the Performing Arts at our school. It kicked off last week with students from Bounty Boulevard attending *the Creative Generations: State Schools on Stage* spectacular at the Brisbane Convention Centre. We had students participating from our school in this amazing annual performance in the featured dance, mass dance and the massed choir. Keep an eye out for their article.

We also have the annual Bounty Bards' performance of Aladdin Trouble in Week 3. Miss Perrett has worked tirelessly all year with the Year 4 students and this performance will once again reach the high standards of previous years. These performances will be held at the North Lakes State College Performing Arts Complex (NLSC PAC) on Monday 25th July and Tuesday 26th July.

This term we culminate with the Drama Club performance of *The Lion King*. The students of the Drama Club have been busy rehearsing all year too, along with participating in the lunchtime club (twice a week) called *The Lion King Experience*. Performances once again will be at the NLSC PAC on Tuesday 6th of September and Saturday 10th September. Keep an eye out for more information through our regular communication outlets within the school. The Drama Club team have now moved to over 5 hours of rehearsals per week!

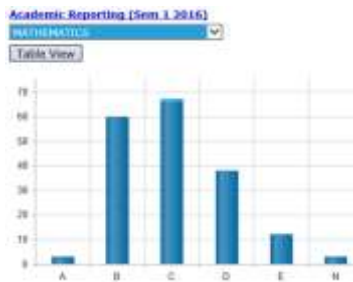

I would like to take this opportunity to thank all of the staff who go above and beyond to provide these opportunities within our school for your children. Whether it be choirs, clubs or extra-curricular activities, the staff will spend many hours in their own time to ensure that high-quality instruction **is provided. As I am sure you will agree, it doesn't just happen overnight. I would also like to extend my thanks to the parents** and carers who contribute to these shows. I am aware of parents who are heavily involved in making costumes along with painting and constructing sets. Without this support, these wonderful events could not occur. We understand that not all parents and carers are able to help and contribute due to work and family commitments. There are always other ways to offer support including making equipment donations which have been listed later on in this newsletter.

I would like to thank all of the children for their commitment (and parents for getting them to rehearsals on time) as they polish their scenes and finish their preparations in the business end of the performances. We are all proud of their efforts and look forward to seeing their wonderful achievements on stage.

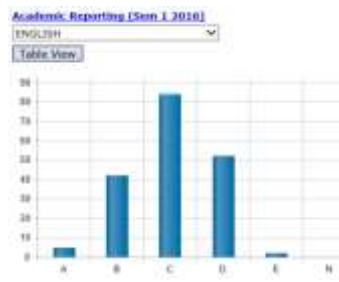

Finally, here is a data snapshot of results across English and Mathematics in Semester 1 across Year 2 and 3. Have a great week one and all!

Year 2 Semester 1 English

Year 2 Semester 1 Mathematics

Year 3 Semester 1 English

Year 3 Semester 1 Mathematics

Attendance:

Year 4: 93.41% (unexplained absences 20.14%)

Year 5: 93.17% (unexplained absences 27.99%)

Year 6: 93.62% (unexplained absences 28.26%)

Queensland Rugby League

Robert T in year 6 has been chosen to represent Queensland in Rugby League. He heads to Canberra for a week long tournament. He was selected in the 21 boy squad. Robert had a great state trials where he topped the try tally at 17. We wish him well. Thank you to the P&C for their kind donation to assisting Robert to getting to the tournament.

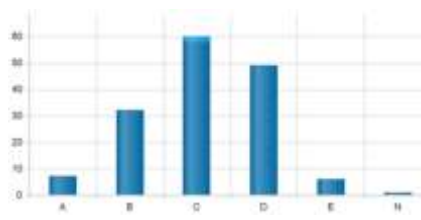

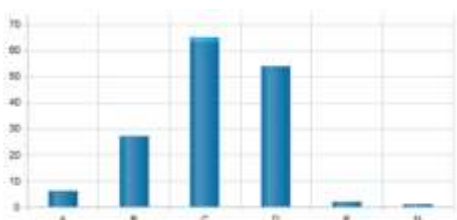

Creative Generation

Congratulations to all students involved in Creative Generation mass choir on the weekend. We also had students who featured in the dances. Congratulations Daniel, Holly and Brandon. Some special talent on display from Bounty. As there will be next week when the Bounty Bards (year 4 students) take the stage at NLSC with 'Aladdin's Problem'.

Wellbeing at Bounty Boulevard

Next week Andrew Gourley is going to speak to staff about their wellbeing, focusing on change and working as a team. He also will be speaking to the year 5 & 6 students about relationships and leadership.

Healthy Family Relationships

The relationships we experience with the people around us have a great influence on our wellbeing. Strong, positive relationships help us build trust and feel supported. Having people around us who can share positive and difficult times can also help us manage stress when things become tough. Children first learn about relationships from their own families. Families give them a model from which they start to discover how to build relationships throughout their lives. Children who have a model of healthy relationships from their families are better able to create these relationships outside their families, with the other children and adults in their lives.

Some tips for building healthy family relationships

- * Try to spend regular quality time together as a whole family and with each child, even if it is for a few minutes each day.
- * Show affection (eg hugs, kisses, kind words or a pat on the back).
- * Offer help and support to one another.
- * Do fun things and laugh together.
- * Share values and engage in family rituals (eg family dinners, weekend walks or movie nights) to build a sense of belonging.
- * Talk to each other.
- * Tell each other what you like about your family (eg "Dad, I like your hugs," or "Cara, you asked for that very politely").
- * Have family discussions to organise family events and to work through difficulties.
- * **Try to listen, understand and respect each other's feelings.**
- * Try to include children in decisions affecting them; give younger children choices to help them make a decision.
- * Teach and model problem-solving skills to children so they become more confident at resolving their own conflicts.
- * Set examples and send clear messages to children so they learn how to treat family members (eg speaking in a calm voice even when you disagree with a family member).
- * Recognise and appreciate that everyone in the family will have different likes, needs and wants and this may sometimes create challenges within the family.
- * Get support from family, friends or professionals when you need help juggling demands.

Nationally consistent collection of data on school students with disability

All Australian state and territory governments have agreed to implement a nationally consistent collection of data on school students with disability.

The nationally consistent collection of data on school students with disability will help to present a more reliable, consistent and transparent view of students with disability across Australia. This improved information will help education authorities and schools better target programs and resourcing decisions, contributing to more effective outcomes and a quality learning experience for all young Australians.

The national data collection on students with disability acknowledges the work already undertaken in Queensland state schools to support students with disability. It assists schools to identify and support students with disability so they can access and participate on the same basis as their peers.

PBL—POSITIVE BEHAVIOUR FOR LEARNING

PBL Article – Week 2 Term 3

Welcome to Term 3! We are straight back into our Positive Behaviour for Learning program this term, by covering our school and classroom rules in week 1. In week 2, classes will be focussing on showing respect for self by moving quietly around the school, and only entering or leaving a **learning area with teacher permission**. In week 3, the school's PBL focus is on our school rule of respect for property and environment by looking after school property, returning items in good order and cleaning up after yourself.

Congratulations to our Week 1 Bounty Gold recipients Patrick 2V, Ethan 3N, Rarni 2C and McCoy 2C.

Word of the Week

I could not be more impressed with the exceptional vocabularies that our Bounty students are developing. Students are using their WOW words in conversation, in-class writing tasks and in classroom discussion. These are the WOW words for the next fortnight. Do you know what they mean? Ask your child to show you how to use them in a sentence and be prepared to be blown away!

Defence News

Welcome Back to everyone, I hope you have had a great break.

We have lots of very exciting things planned for Defence Club this term and next. New craft supplies, new games and a new space make for new and exciting opportunities for our kids.

From our families, I need some help:

- Does anyone have some cam net I could borrow for the rest of the year or know of a unit that has some old cam net they could donate to us? **I would like to 'defence' our space up a bit and it is great for hanging up artwork to personalise the area for our kids.**
- We need some jam sized glass jars. Preferably with labels removed (not a must but convenient).

Defence club runs Monday and Thursday for Juniors and Tuesday and Friday for Seniors, both breaks. I also have a homework group available to all defence students from 8.00am Thursday and Friday mornings. This is a great opportunity to get your homework out of the way before the weekend.

Posting and Deployment

Posting season is upon us already. That time of year where you find out what adventure your life will take for the next 2-3 years. **It's exciting and scary and every other emotion all rolled into one.** I am here to offer support to your child/children and family at this time, I would also like to farewell your child from our school properly and give them something to remember Bounty Boulevard by. Support is also available to students with a deployed parent or a parent on any absence from home. Please let me know in any way I can support your child.

I am contactable Monday, Tuesday, Thursday and Friday from 8.00am- 2.00pm by phone or email. The school number is 3482 1333 and my email is sgard121@eq.edu.au.

PERFORMING ARTS CREATIVE GENERATIONS: STATE SCHOOLS ONSTAGE 2016

Creative Generations 2016 was a spectacular event. The children from Bounty Boulevard State School did a terrific job. Have a read about what they thought about the production. Furthermore, I would like to take the time to congratulate Ms Kellie Gunnis for overseeing the organisation of CGEN, Mrs Sheylene Challacombe who rehearsed constantly with the choir (and had the best dance moves of any Music teacher in the State) and finally Ms Nicola Mitchell who was went above and beyond to ensure our dancers were organised throughout the performances. Finally, I would like to also thank the parents and carers who were able to get the children to all of the rehearsals on time. A wonderful team effort by all. Mr Liam Hackwood

I congratulate all of the incredible student performers, the dedicated staff and parents who have supported them and our show producer and creative director, Liz Williamson for yet another wonderful production. Whether or not you were able to watch the live show, don't miss its national broadcast on Network Ten on Saturday 15 October at 1.30 pm. Dr Jim Watterston—Director General

Thoughts from the students...

"CGEN is a very big experience. IT was very fun. Performing was the best part." - Sarah M Yr 4

"CGEN 2016 was an experience that will only have once in your life. There was a seven hundred voice choir, 1700 dances and a 68 piece orchestra. Performing was the best thing because you get to meet new friends and be with different choreographers, learning different things and most of all having fun." Holly G Yr 4

"I like CGEN because it is schools from all over Queensland that come together over 6 months. That are kids that have travelled more than 2500km to get there. CGEN will always have a place in my heart because it brings people together and you make new friends." Edward M Yr 6

"CGEN showed the way students from across Queensland can work together to create a show for all ages. I loved the fact that though some schools were not allowed to perform separately (from what I saw), they still included them in some way. I also loved the way they included the audience. Students set up the show as if we were in an aeroplane. We 'travelled' across the world showing different performances that may be traditional as far as I know." Jayden P Yr 6 (Jayden went as an audience participant)

Congratulations to all students who took part in our athletics carnival week in the final week of term 2. It was great to see the outstanding achievements made by many of our athletes over the 3 days. Above all, the effort and sportsmanship demonstrated by our students during the week were fantastic to see. Thank you to our wonderful staff, café volunteers and parents for making the 3 days such a success. Thank you also to those families who were able to contribute to our raffle over the three days. The winners have been notified. We raised over \$600 over the week and that money will go towards sporting equipment. Good luck to those senior students who will be representing our school at the district carnival in August.

- Parent/Caregiver Survey for all families with a child enrolled in Years Prep - 6
- Student Survey for a sample of up to 60 students in each of Years 5 & 6
- Staff Survey for all school staff
- Principal Survey for all principals

The key dates for 2016 are:

- 11 July Online surveys open
- 29 July Online surveys close
- 1 Nov Final school results released

During week 1 of term 3, a parent/caregiver invitation letter was sent home with the eldest child in each family. This blue online access letter can only be used once and all survey responses are treated confidentially. More information about the survey is available at:
