Dear Parents & Students

WELCOME BACK

The Bounty Boulevard school community welcomes new and returning families for term 4, 2016. Students and staff have launched straight into strong and positive routines which augurs well for a successful completion to the 2016 school year. Just as our new students and families have been made welcome, I too have been made to feel very welcome and look forward to a very positive conclusion to the 2016 school year for our school.

MAINTAINING OUR FOCUS AND MAKING EVERY DAY COUNT

Parents should feel confident that with only eight weeks of school remaining this year, students will be supported by classroom routines and academic programs that will run uninterrupted up to and including the last week of term. School arrival and departure routines for students should remain as per usual during this time. School uniform standards will continue to be policed and general student behaviour must remain within the bounds of school rules and safety. I ask that parents support teachers by ensuring students are reminded of these expectations and that parents play their part in ensuring students attend each day, on time and come with the appropriate attitude to learning and behaviour.

As we near the end of the school year, it's important to remember that all students are required to attend school every day until the end of term which is 9 December 2016. Not only is attendance at school a legal requirement, but being at school helps students to achieve more and builds social and emotional skills such as communication, teamwork and resilience.

CLASSES FOR 2017

The process of formulating class lists for 2017 will begin shortly. During this time teachers will consider the most appropriate placement for individual students into class groupings. The aim is to construct well balanced classes in which students can work and **perform to their full potential. Due consideration is given to the student's academic needs and their social/emotional needs** when placement is decided. Should parents wish to have input to the process they are asked to put their 'request for consideration' in writing, and addressed to the Principal, Bounty Boulevard State School. Requests should outline your child's learning needs and the considerations that you believe would assist your child to best achieve in 2017. Closing date for this correspondence is Friday 25th November, 2016. Should your child not be returning to Bounty Boulevard in 2017, please inform our office as soon as possible.

Kind regards

Dr Ray Bloxham
Acting Principal

BOUNTY ART SHOW & AUCTION

Bounty's first ever Art Showcase and Auction will be held this Friday – 14th October 6:00pm.

Entry \$5 per adult, \$8 per couple attending. You will receive a complimentary glass of wine, soft drink or water. **All entry ticket's will go in the draw to win a lucky door prize. Staff will circulate with cheese and nibbles.** Additional soft drinks and water will be available for \$1. Individual student art work will be displayed and available for purchase for a small donation starting at \$1.

The highlight of the evening will be an auction of the class art canvasses. The 52 pieces of art **work will be up for sale by way of a silent and live auction on the night. If you've not yet seen the display in the administration office you will be blown away by the quality of art work.**

We are very grateful that auctioneer, Glen Hobbs has volunteered his services for the night. It will be a **fun evening and we're excited. Please come along and support our major fundraising event. Proceeds** will go toward our Health and Wellbeing program to support our students.

We look forward to seeing you there.

ISSUE 15/16 11 Oct 2016 Learning, Love & laughter

Prep & Year 1

Term 4 is always challenging, particularly with the younger students, as we near the end of the year and students are tired. **There is still lots of work to be covered so it's important that we remain focussed and students are always ready for learning.**

Thank you for being vigilant about getting your children to school on time. It is still important, even at this stage of the year that students are all ready to learn once the school day begins at 8:55am. The Prep students are managing much more independently in the mornings now; getting their bags away, their lunch boxes & drink bottles organised and being ready to learn once the bell goes. Thank you for assisting with this.

I'm sure you are now aware that the end of year celebration will be in the form of performances by classes on Friday 2nd December. Excitement will begin to mount as the end of the term draws closer. Information regarding this event will be posted on the website and sent out **via your child's class teacher.**

Positive Behaviour for Learning

The explicit lessons over the next two weeks are related to Respect for Self and Respect for Others: Week 2 – Friendship; Week 3 – Being a good sport. Teachers will be talking to students about what it looks like to be a good friend and to be a good sport and why it is important to respect the boundaries of friendships. Having friends is vital to our wellbeing, no matter what our age, and school is an ideal place for students to begin building those relationships.

Bounty Art Showcase and Auction

There is great excitement as our first ever Art Showcase and Auction is being held on Friday at 6:00pm. We hope to see as many of you as possible. This is a major fundraiser for student health and wellbeing projects run within the school. If you have seen the art work in the admin foyer you will understand why we are excited. Teachers and students have enthusiastically engaged in this event and would love to see parents supporting their children and our visual arts program.

Prep 2017

There is a lot happening in preparation for next year. I have been visiting Early Year education centres, and this week our interviews begin for Prep enrolments in 2017. This is a huge undertaking involving many staff members and continues over the next 6 or 7 weeks. Whilst the deputies and others are talking to mums and dads, the children will be sitting with a staff member and doing some fun activities. Our interviews for early entry preps will also begin shortly.

The final term! Can you believe it? It has been a busy year and Term 4 is certainly not slowing up either. Across Year 2 and 3 there are many exciting events happening. Next week, we welcome representatives from DET to discuss cybersafety with our Year 3-6 students. There will also be a parent session next Wednesday at 2:00pm. If you are interested in coming along to this session, please RSVP at: <http://ems.qs/3wfg0chbGCR>

The Cybersafety and Reputation Management team at the Department of Education are visiting the school on Wednesday 19th October. The team will speak with students throughout the day, and are also conducting a session for parents and caregivers at 2:00pm. This session will explore the concept of a clean digital footprint and strategies to keep online interactions safe and positive for yourself and your children. The session will be conducted by two of the Cybersafety team members. Rob, the manager of the team, previously a Queensland detective and online covert police officer from Task Force Argos will lead the session. Bridget, the project support officer in the team, will also present and will draw on her past experience in the recruitment industry. There will be time throughout the session to address specific questions or concerns that you may have regarding the online space.

I thought I would take this opportunity to pick out some other highlights for the term. Assemblies – Assemblies will still be at 2:15pm on Monday afternoons. Please note that on the 17th of October there will be no assembly as this is a pupil free day. Swimming Lessons – By the time you are reading this, swimming lessons will have already started. Year 2 students are participating in swimming lessons until November. Parents are reminded that in Week 3 there is only one swimming lesson not two. Bounty Art Showcase – This inaugural whole school event is certainly going to be a wonderful occasion for our school All profits go towards student wellbeing. The auction will be very exciting with many pieces on display ready to be snapped up. Street Science – Year 2 and 3 students will have the opportunity to participate in the Street Science show on Tuesday 8th of November. The Fire, Earth, Air and Water Show will take place in the Middle Years Undercover Area. The cost of this activity is \$6 with payments due by Friday 4th of November. **Year 2/3 Bounty's Got Talent Finals** – This event is being organised by the Performing Arts Ministry and the finals will be held on Thursday the 24th of November. It is great to see so much talent in our younger children at the school.

This term, teachers will be finalising report cards for Semester Two. A lot of assessment will be carried out this term and I invite all parents and carers to ensure that a huge emphasis is placed on attendance. Currently attendance for Year 2 and 3 this year is 93% and 93.5% respectively. **There are still many late arrivals across both year levels. Let's aim to ensure children are arriving at school on time, ready for learning.**

Attendance:

Year 4: 92.85% (unexplained absences 17.06%)

Year 5: 93.14% (unexplained absences 23.87%)

Year 6: 92.76% (unexplained absences 24.07%)

Wellbeing Article:

This fortnightly article is on mindfulness and how mindfulness can assist families in today's busy day to day.

What is mindfulness?

Mindfulness is a whole body-mind state of awareness that involves 'tuning in' to the present moment, with openness and curiosity, instead of 'tuning out' from experience. Mindfulness is a state of being fully awake to life – being aware and undistracted in the present moment. It is about focusing attention on the present, rather than thinking about the past or worrying about the future- which is **often our brain's default mode**.

Mindful awareness is something that we all possess and that can be strengthened through practice. Mindfulness can be developed through formal sitting meditation practices, or through informal everyday mindfulness activities that use the senses to anchor the attention: such as mindful walking, listening to music, eating or conversation. Mindfulness is a clinically proven tool to support wellbeing and mental health by reducing stress and allowing life to be experienced more fully.

Mindfulness for parents

The best thing parents can do to help their children become more mindful is to commit to some regular mindfulness practises themselves! The more present and mindful you are with your children, the more happy, mindful and resilient they will be. Mindfulness training can assist parents to remain in the present moment and engage more fully when interacting with their children. Research shows that parents and carers who practice **being mindful around their children contribute to improving their child's sense of self-worth and self-esteem**.

Mindful play: Dedicate a window of time each week to mindfully play with your child or children. Turn off all other distractions such as TV, and put your mobile away and on silent. Try to give them your full attention during this time and if your mind wanders off to all the things you should be **doing, that's fine – that's just what minds do! Use your child as an anchor to come back to every time your mind wanders away.**

Mindful cooking: Cooking together can be a great way to spend quality time. Help your child notice the colours, smell and taste of the ingredients as you add them to the meal, and the touch of the different items as you cook.

Mindful dinnertime: Create a time for your family to appreciate and savour their food at the start of a meal by spending the first few minutes of **dinner in silence, just eating and enjoying the food. It's a surprisingly nice activity to do with the whole family, and done** regularly, can become a lovely ritual.

Mindful teeth brushing: Getting kids to brush their teeth can be a challenge, so why not make it a challenge, by inviting them to try to do it mindfully with you? Invite them to pay attention to the feel of the brush in their mouth and the sensation and taste of the toothpaste. Ask them three things they noticed that was different about their brushing tonight than from the previous night.

Curriculum Corner

Term 4 has gotten off to a fantastic start with all classes immersed in engaging and challenging learning experiences from day one. There are a number of things on the curriculum agenda this term.

External Moderation

In Week 5, all teachers will be moderating English folios of assessment with colleagues from across the alliance. The schools involved are Mango Hill State School, Moreton Downs State School and North Lakes State College. The process of moderation allows us to ensure consistency in judgement across schools. Each school teaches and assesses according to the Australian Curriculum. Moderation is always an opportunity for meaningful professional learning and networking.

Semester 2 Reporting

Report cards will be sent out electronically to families in Week 10 of this term. Assessment is ongoing throughout the semester in all curriculum areas. Consistent attendance provides your child with the best opportunity to learn and experience success. Every day counts.

Year Level Planning

Teachers will work alongside the HOC in Week 8 to complete planning for Term 1 2017. At Bounty, our goal is to create curriculum units that not only align closely to the Australian Curriculum but that promote excellence for both teaching and learning outcomes.

Vocabulary

This year, the school community has maintained our strong focus on vocabulary to brilliant results. The rich and impressive vocabulary that is being used by our students both orally and in their writing is continuing to improve. Each class has been doing wonderful work around vocabulary and our word of the week and this is something to be celebrated. Here are our WOW words for the next fortnight. My challenge to you, as always, is to use these words in your everyday conversation. Discuss the meanings of these words with your child and see if they can provide you with some examples.

Scholastic Book Fair

The Scholastic 2016 Australian Kids and Family Reading Report confirms that 90% of children say they are more likely to finish a book they choose themselves.

So why not use the Scholastic Book Fair as an opportunity to invest and encourage your child's love of reading. Please mark in your calendars, we have a Scholastic Book Fair coming up on *Monday 31st October*. This is one of our major fundraising opportunities for the L.I.C and is also a good opportunity to pick up some early Christmas presents for friends and family at a **great price. **Each class will have the opportunity to visit the Book Fair in the LIC and create a "Wish List"**. Payments can be may be cash, credit card and eftpos.**

Infiniti

This Term our Year 2 and 1 students will be learning how to access our library management system "Infiniti".

To access Infiniti 4/7 and from any device please follow the steps below:

Welcome Back!

I hope everyone had a great break and is enjoying the beautiful weather we have been having.

Term 4 is here and it will be over before we know it but we still have a lot of gaming and crafting to do before then so if you are interested please come along to Defence Club. Seniors first and second break Tuesday and Friday, Juniors first and second break Monday and Thursday. We are located just outside the Supernova!

The posting cycle is well underway with posting orders being released since July, families planning their move and preparing for the changes that are about to happen. If you are one of these families please let me know so we can farewell your children and prepare them for their exciting adventure. Alternatively, if you know of a family enrolling here, please pass on my information so I can make contact with them as soon as possible. My email is: sgard121@eq.edu.au or call the school on 07 3482 1333.

Remembrance Day is slowly creeping up; keep your eyes open for the schools service. More details to follow when they are available. We would love to see you there.

School Banking Competition

In term 4, we will be running a competition for all School Bankers to have the chance to win a great Dollarmites prize pack. School Bankers simply make 4 or more deposits between week 1 and week 8 to be in the draw to win.

Remember if you are not already a School Banker, you can get involved in the School Banking program by opening a Commonwealth Bank Youthsaver account at your local branch. All you need is for a parent to bring their identification and your birth certificate to the bank.

School Banking is Tuesday

Yearbook Ordering

This is now your chance to purchase your copy of the Bounty Boulevard State School 2016 Yearbook. We are offering the Yearbook at an EARLY BIRD RATE of \$25 per copy. For you to take advantage of the Early Bird special, payment will need to be completed by 11:30am on Friday 14th October. If you miss the opportunity to take advantage of the Early Bird rate, you will still be able to purchase the Yearbook for a price of between \$28 - \$30 (this will be determined upon the amount of orders taking advantage of the Early Bird Special). Payments will not be accepted after Tues 8th Nov 2016.

If you are interested in purchasing a yearbook or multiple yearbooks, please return the note which was sent home **last week**. **On the form, please indicate the eldest child's name and class, how many yearbooks you intend on ordering along with the method of payment.** Your order will only be processed once payment has been received. I invite all parents and carers to keep their proof of payment (receipt) as there will be many copies of the yearbook being ordered across the school. If you have not received a proof of payment within 5 days of making your payment, please contact the school office.

Should you have any further concerns, questions or queries about the yearbook, please do not hesitate in contacting Liam Hackwood at lhack1@eq.edu.au.
